

The logo features the word "Delfleet" in a grey, sans-serif font with a registered trademark symbol (®) to its upper right. Below it, the word "Essential" is written in a large, bold, orange sans-serif font. The text is centered against a background of overlapping, semi-transparent circular shapes in shades of tan and light grey.

**Delfleet<sup>®</sup>**  
**Essential**

*When Value is Essential*

If you're searching for a quality, yet economical paint system for trucks and commercial vehicles, Delfleet<sup>®</sup> Essential is the logical solution.

## Essential

# Features

Designed with overall paint jobs in mind, *Delfleet Essential* is a single-stage polyurethane system capable of delivering a glossy, durable finish, with good throughput performance.

The bottom line of quick turnaround with consistent quality at an affordable price makes *Delfleet Essential* the right choice for a wide range of fleet applications.

**Ideal for:**

- Truck shops looking for an economical, productive, easy-to-use paint system
- Truck refurbishment centers
- Shops doing fleet maintenance
- OE body builder and trailer manufacturers

### ESSENTIAL FEATURES

- Compact, easy-to-use, economical paint system
- Low-VOC color and primer options
- Highly productive
- Good-quality, consistent products
- Glossy, durable finish
- Wide color palette
- Good color match to standard
- 2-Year Warranty program available

# System

The stand alone *Delfleet® Essential* systems require only a minimal inventory of 56 SKU's to carry out its mission of delivering good quality, economical finishes. The compact mixing scheme is comprised of a mere 31 high solids toners, yet is capable of matching a wide palette of colors, numbering in the thousands. For added convenience, factory-packaged colors are available in white, black and flat black.

## MINIMAL INVENTORY

- 31 Toners
- 1 Clearcoat
- 7 Primers
- 3 Factory Packages
- 2 Reducers
- 6 Activators
- 6 Hardeners
