

MICROFLEX
THE MOST TRUSTED NAME IN GLOVES®

EXCEED

Powder-Free Nitrile Gloves

Breakthrough polymer technology and manufacturing process offer you a soft and comfortable nitrile glove that rivals the fit of latex while providing up to 60% more strength than leading nitrile and latex brands. This glove changes everything! We are confident you'll agree, this is the best glove you've ever worn!

NEW revolutionary nitrile formulation delivers up to 60% more strength than leading brands

NEW Manufacturing Process allows for XCEED™ gloves' unbelievable softness and comfort that rivals the fit of latex.
